

FINAL DAY Wednesday, June 29, 2022

11:15 am Early Dismissal Form

Dear Prospect Parents/Guardians,

The final day of this school year is Wednesday, June 29th. The most important function of this day is to distribute final report cards. Although it is a full day, we know there are requests to pick up students early. With the current construction and road closures, we have to be mindful of traffic access and multiple random pick ups during the day. We will offer a shuttle at 11:15. We request this be the early dismissal time due to road closures. Please indicate on this form if you are opting for early dismissal and return to your classroom teacher, so they can plan to have your child's things packed up. The regular scheduled shuttle and buses will run at 2:48.
