THANK YOU

Dear PAC,

On behalf of the children and teachers, we would like to thank you for the generous donation of art supplies. Many classes have already created beautiful artwork with the watercolour supplies, as you will see in the Art Cards coming your way soon!

We feel very fortunate to have a PAC that acknowledges and supports the Fine Arts and finds ways to support teacher's efforts to provide our students with rich experiences in the Fine Arts. Please know that these gifts will be utilized and enjoyed throughout the year!

With much appreciation,
The Prospect Lake Teachers and students
