RE: Revised Pick Up Location on **Monday June 20 AFTERNOON - ONE DAY ONLY**

Due to a double booking at the Prospect Lake Community Hall on the afternoon of Monday June 20th, we are needing to relocate the afternoon Pick up location for one afternoon (only).

The new location for the pickup for this one-time relocation will be at the Red Barn Market at 5550 West Saanich Rd.

We appreciate that the folks at the Red Barn Market are allowing us to use their property for this one afternoon.

They do ask that parents park in the gravel areas of their parking lot shown below in green:

If you need any groceries, please feel free to support the Red Barn or Hullabaloo by picking up a couple items.

Thank you,

Anita Ko
